4 Toumei Park in Bibai City

It may be the most beautiful point to appreciate the beauty of cherry blossoms in Sorachi sub-prefectural area. Japanese popular cherry blossoms 'Somei-yoshino' fully bloom in the first half of May. Bibai City is the north end of the habitat for Somei-yoshino. The cherry blossoms lighted-up in the night are worthwhile. The flowers of azalea, which is the flower of the city, fully bloom at the end of May.
